Royal LePage Royal City Riders Got Their Hearts Pumping on the Big Bike for the Heart & Stroke Foundation

(Guelph) – Royal LePage Royal City Realty participated in the Big Bike on June 14, 2018 for their 9th year in a row. Through continued support of this event Royal LePage Royal City has raised \$29,375.05 for the Heart and Stroke Foundation of Canada.

Giving back to the community is a value that the company considers a priority. This year marked the 9th consecutive year the company has participated in the Heart and Stroke Foundation of Canada's annual Big Bike event. Over these years, employees and Realtors from the company have raised a total of \$29,375.05.

“This foundation is important to our company as we have staff and Realtors who have had loved ones affected by heart disease and strokes. Supporting this cause allows us to support the people we love and the community as a whole. By participating and donating, we are helping the foundation create awareness and support their research to save lives.”

The Heart & Stroke Foundation of Canada has been dedicated to fighting heart disease and stroke for more than 60 years. Today, there are 1.6 million Canadians living with heart disease and stroke. Since 1952, \$1.52 billion has been invested into life saving research and the heart disease and death stroke rate has declined by 75%. Currently the Heart and Stroke Foundation funds 800 researchers. Their work has not only saved thousands of lives but also improved the lives of millions of others.
